

Join the NEW Virtual Journal Club

SSSFT Library & Knowledge Services are launching an online Journal Club. You will be able to discuss articles with colleagues at any time and from any Trust computer. Professional reading, and critically discussing what you have read, is accepted by most professional bodies during revalidation. Other benefits of Journal Club participation include:

- ✓ Encourage evidence based medicine
- ✓ Keep abreast with new literature
- ✓ Promote social contact
- ✓ Provide continuing medical education
- ✓ Improve understanding of current topics

Visit the Journal Club's SharePoint site: <http://intranet.sssft.nhs.uk/JournalClub>

For more information, and to join the Journal Club please contact Lisa Basini:
