

## What?

### ACHIEVEMENTS

### CHALLENGES

Librarians in the workplace – outreach and clinical librarian

Improved efficiency – centralisation, streamlining

Google – instant info, uncertain quality

Improved access to information by library partnerships

Met targets for articles, searches, enquiries

Reduced staffing levels – reduced opening, less librarian capacity

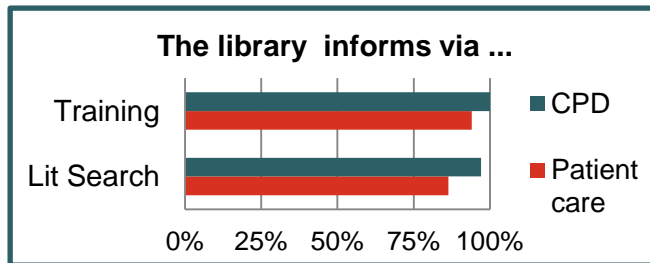

Maximised book budget – new collection development policy

Cost pressures, rising resource prices

LQAF – increased management work

## So what?

Patient care and other Trust work evidence based through library searches and training

## How many?

Literature searches

238 ↑

Library membership

1507 ↓

Search training

94 ↑

Article requests

2189 ↓

Update sign-ups

1054 ↑

E-resource accounts

853 ↓

Book loans

7475 ↑
