

E-book Guide

What you'll need

- To read e-books you will need an Open Athens account. Register for one here: <https://openathens.nice.org.uk/>
- You can read e-book online in your web browser. However, to download an e-book to your computer, you need Adobe Digital Editions. You will need to log a call with the HIS Service Desk to download this.
- To download a book to your Apple or Android tablet, you will need "Bluefire Reader". This is a free app.

Finding e-books

Borrow library owned e-books straight away

- Visit the library catalogue: librarycatalogue.sssft.nhs.uk
- Enter the catalogue and type 'electronic books' into the search bar. This will bring up all of the library's available e-books.
- You can also search for a specific title or author

Browse titles in the E-book Central Library

- Go to the library website e-books page: library.sssft.nhs.uk/ebooks
- Click on the link to the 'E-book Central Library'
- Browse over 5000 books and ask to borrow them. The library will either approve the loan, buy the e-book or suggest alternatives

Reading e-books

- Click on the title, then 'read me'
- You will be asked to enter your Open Athens username and password.
- You will then have the option to: Read online or Download the book.

Read online

- You can read online for approximately 10 minutes, then you will be asked to choose a loan length e.g. 1 day.

Download to your device

- Choose a loan length (between 1- 14 days) and choose a format e.g. PDF & ePUB.
- Select PDF if you are downloading to a PC or Kindle and ePUB for other E-readers or tablets.

If you have any questions, or require further assistance please contact the library:
