

Library Resources to Support NICE Guidance on Diabetes

NG18 (Diabetes in Children and Young People), NG3 (Diabetes in Pregnancy), NG19 (Diabetic Foot Problems), NG17 (Type 1 Diabetes in Adults: Diagnosis and Management)

[Resources reviewed December 2015]

Journals

Journals specifically on diabetes include:

- BMJ Open Diabetes Care and Research
- Clinical Diabetes
- Diabetes Week

Some of the most useful articles are published in general nursing journals. Sign up to the library's Be Aware Diabetes Update to receive regular details of these.

Any individual article can be sourced through Library Services.

A selection of materials we currently hold in the Trust libraries

(Please note we are always happy to consider recommendations for additional books for library stock)
